

# Keystone Virtual Campus: Innovating, Connecting, Leading, and Exploring in the Global Classroom

## CONFERENCE SUMMARY

The Keystone Virtual Campus invites you to attend our **2011- 2012 KVC Summit**. This blended event will provide an opportunity for administrators and teachers to collaborate and address issues focusing on 21st Century Teaching and Learning in the global classroom.

Educators are encouraged to attend the KVC Summit in teams. Through the use of video-conferencing, using PAIUNet, participants will have the opportunity to hear keynote speakers, interact with invited guests, and collaborate with colleagues locally as well as statewide.
